

Stay Involved! A Quick Guide to Prison Health Care News and Resources

For updates on Mumia Abu-Jamal's health and treatment, visit the [Indiegogo campaign](#) along with Prison Radio's [Facebook](#) and [Twitter](#).

Read the original lawsuit '[Abu-Jamal v. Kerestes](#)', filed by Abolitionist Law Center, Amistad Law Project, and Bob Doyle.

In the past few months, prisoners in Minnesota, Massachusetts, and Pennsylvania have filed class action lawsuits demanding Hepatitis C treatment. Read news coverage of the Minnesota lawsuit in [Prison Legal News](#), and news coverage of the Massachusetts lawsuit in the [Wall Street Journal](#), [Boston Herald](#), and [Buzzfeed News](#). The full [Massachusetts](#) and [Pennsylvania](#) class action lawsuits are available online.

Prison Radio correspondent Kerry "Shakaboona" Marshall is recording a series of commentaries about medical neglect and abuse in Pennsylvania prisons. Listen to his vital reporting on [Prison Radio's website](#).

CounterPunch recently published a searing [article about medical care in US prisons](#) by Thandisizwe Chimurena, featuring an interview with Mumia's lawyer Bret Grote.

Sero Project, a national network of people living with HIV and allies, is coordinating the publication of Turn It Up! Magazine, a new one-time magazine/ resource guide designed to "aid incarcerated people in improving their health and the quality of their lives through advocacy." Read more about Turn It Up! and donate for its publication on its [Kickstarter page](#).

Here are more resources and publications devoted to prison health care issues:

[Prison Health News](#), a quarterly newsletter for prisoners including articles about medical advances and prison health advocacy, as well as personal testimonies by currently and formerly incarcerated people.

The [Prison Activist Resource Center's resource guide](#), a directory of resources for prisoners and their communities, includes a section on health care.

The [National Hepatitis Corrections Network](#), a professional network advocating to increase access to hepatitis prevention, testing, and treatment in correctional facilities.

[Prison Legal News](#), an independent monthly magazine dedicated to legal analysis of criminal justice issues.

Demand Hepatitis C testing and treatment for Mumia and all Hep C positive Pennsylvania inmates.
